NEW-JERSEY.

SWEEPING REPUBLICAN VICTORY-THE STATE REDREMED-FOUR OUT OF FIVE CONGRESS-MEN FOR THE REPUBLICANS-THE LEGISLA-

TURE RADICAL IN BOTH BRANCHES. Elections were held in New-Jersey yesterday for five Congressmen, seven State Senators, and members of the lower House of the Legislature; in some counties, also, for local officers. In 1868 the Democrats carried the State by a majority of 4,547, of which 4,20 was obtained in Hudson County. The negro vote-about 6,000 in the State—was almost entirely east for the Republicans yesterday, giving them large gains in many o

the counties.

The election passed off with unusual quiet. But few
arrests were made, and so far as is known there were no
disturbances. The wate polled was very large, the election by the next Legislature of a U. S. Senator, and the
redistricting of the State having served to awaken public

disturbances. The wate potient was the redistricting of the State having served to awaken public interest.

At midnight full returns had been received from only six wards of Jersey City and four wards of Newark, beside estimates in some of the counties and townships. The returns received, however, were such as to indicate a sweeping Republican victory. The leading men of the Democracy in Jersey City gave up the two houses of the Legislature upon the returns received at 11 c'clock. Last year the Democrate had a majority of five in the Senate and six in the Assembly. In the next Legislature both Houses will be Republican. Out of five Congressmen the Democrate now have three; yeaterday's election gives the Republicans four out of five. In the Vith Congressional District Geo. A. Halsey (Rep.) is undoubtedly elected. In Hudson County, which has hitherto given Democratic majorities, four out of six Republican Assemblymen are elected—James F. Felider, John Anness, George Warren, J. Hornblower. The two Democrate elected are Michael Coogan and Herman D. Busch. Essex County elects seven out of nine Assemblymen.

John Hill (Rep.) is probably elected in the IVth Congress District over Phillip Rafferty (Dem.). John Hopper, the Democratic candidate for Senator in Passade, is known to be defeated by Henry A. Williams, Rep. In Middlesex County the Republican candidate for Senator, L. D. Jarrard, is elected, as are also the three Republican members of Assembly.

John W. Hazleton, the Republican candidate for Congress in the 1st District (which comprises the southern tier of counties, including the City of Camden), is elected by a majority of 4,000 over his opponent, Benjamin P. Lee. A dispatch from Camden, dated at 11 o'clock p. m., gives this as the probable majority, the only counties not heard from at that time being Atlantic and Cape May, each of which is Republican. The election of the Republican candidates for the Legislature in these counties—Benjamin H. Overhiser (Atlantic) and R. S. Leaning (Cape May)—was regarded as c

Leslie.

Grosscup (Dem.) is returned to the Legislature in Cumberland County. William A. House (Rep.) is elected in the 11d District by a majority of 375. Hauterdon County gives a Democratic majority, electing Baughart to the State Senate and three Assemblymen. Both the Republican candidates are elected to the Legislature in Gloucester County. The 11d Congress District elects ex-Gov. Newell, Rep.

The Hd Congress District elects ex-Gov. Newell, Rep., by a small majority. The district is now represented by a Democrat. John T. Bird, Dem., is elected in the Hld Congress District by a large majority, over Robert Rusling, Republican. He is the present Representative.

In Mercer County, two Republican candidates to the Legislature are probably elected. A. M. Bradshaw, Rep., is elected in Ocean County, by a small majority, to the Assembly. In Sussex County, the two Democratic candidates are returned to the Legislature, and R. E. Edsalit to the Senate.

HALSEY ELECTED IN THE FIFTH DISTRICT-A REPUBLICAN GAIN OF TWO ASSEMBLYMEN IN ESSEX COUNTY—BIRD'S MAJORITY 4,500.

NEWARK, Nov. 8 .- The returns show large Republican gains. Newark gives Halsey (Rep.) over 3,000 majority for Congress. He is probably elected. The Republicans gain two State Assemblymen in Esser County. Scattering returns from Essex County give Hill (Rep.), for Congress, in the IVth District, over 1,000 majority over Rafferty (Dem.) Hill is probably elected.

L. D. Jarrard is elected State Senator from Middlesex

County: a Republican gain.
Returns from the Hid District indicate Bird's election by 4,500 majority; a Democratic gain of 500.

The 1st District of Cape May County gives Hazleton (Rep.) for Congress 281 majority; Beesley (Rep.), for State Senator, 396 majority; Leaming (Rep.), for Assembly, 393 majority.

bly, 383 majority.
Fourth District, Passaic County, gives Hill (Rep.) 500
majority. The entire Republican County ticket is
elected. Campen, N. J., Nov. 8.—The First District—Hammon-ton gives Hazelton (Rep.) 185 majority. Mullica Township gives Hazelton 62 majority. Second District—Willingborough Township gives Fork-

er (Dem.) 37 majority. The Third District—Phillipsburg gives Bird (Dem.) 336 LATER-HALSEY'S MAJORITY IN NEWARK, 3,276-HILL CERTAINLY RE-ELECTED.

NEWARK, Nov. 8.-Halsey's majority in Newark is 3,276. Hill has 1,274 majority in the townships of Essex, and

is certainly elected. THE CITY OF PLAINFIELD-REPUBLICAN GAINS.

PLAINFIELD, N. J., Oct. 8.—Robert Rusling, Republican candidate for Congress, has 253 majority in this city-a gain of 63. Dr. Sutphen, candidate for Coroner on the Republican

county ticket, has a majority of 63-a gain of 63. Yates (Democrat) is probably elected to the Assembly from the Hd District of Essex County.

A DEMOCRATIC RIOT IN CAMDEN COUNTY-THREE

LATER-THE MILITARY CALLED OUT TO RESTORE ORDER.

CAMDEN, N. J., Nov. 8 .- Haggerty and crowd of Philadelphia roughs smashed the ballot-box in Newton Township at & o'clock this afternoon, and de-stroyed all of the ballots. The Sheriff called out the 6th Regiment, Col. James M. Scovel commanding, which, with one company, reorganized the Board of Election. The balloting then went on, and resulted in a majority of 192 for the Republican candidates. The rioters are in jail. In spite of fraud the Republican ticket will win. ANOTHER REPORT.

CAMDEN, N. J., Nov. 8 .- A fight occurred today at the polls in Newton Township, Camden County. Two colored men were shot, and four white men named Long, Henry, Forman, and Stinsman were badly injured. The riot was suppressed by Major Dure, U.S. Deputy-Marshal.

MORRISTOWN, N. J., Nov. 8 .- The whole Republican ticket was elected in Morris township. For Congress, John Hill has 230 majority; for State Senator, Columbus Beach has 174 majority; for the State Legisla ture. Nathaniel Niles has 214 majority, and for Sheriff. James Vanderveer has 239 majority. MEMBERS OF CONGRESS ELECTED.

JOHN HILL. The Hon. John Hill, Republican Congressman elected from the IVth District of New-Jersey, is a New-Yorker by birth. He has held a number of local and town offices in Boonton, Morris County; in 1860 he was elected to the State Legislature, and after being twice reflected, became Speaker of the Assembly. He took an active part in raising troops for the suppression of the Rebellion, and was elected to the XLth and XLIst Congresses.

GEORGE A. HALSEY. The Republican Congressman elected from the Vth District of New-Jersey, the Hon. George A. Halsey, was engaged in manufacturing pursuits in Newark. He was elected to the State Assembly in 1861 and 1862. Until 1866 he held the office of Assessor of Internal Revenue for his District, and was elected to the XLth Congress.

LICAN-SENATOR WILSON'S RE-ELECTION AS-SURED.

SPRINGFIELD, Nov. 8 .- Phillips gains much less on the Labor Reform vote of last year than was ex-pected, though be has the Prohibition nomination, and round numbers, Ciaffin's vote will be from 90,000 to 100,000; Adams's about 60,000, and Phillips's from 20,000 to 25,000. The same towns last year gave Claffin 34,724. Adams 20,228, Chamberlain (Labor Reform) 7,618. The Republicans have elected 28 out of 40 Senstors, and

The Hon. Harvey Jewell of Boston is redected to the House, and will probably be Speaker again. The Hon. Horace K. Coolidge will probably be reelected President of the Senate.

Ex-President Hill of Harvard College is elected Repre entative to the General Court from Waitham. Mr. Phillips's vote was largest, of course, in the shoot towns, where the Labor vote is strongest. He carried Marlboro', Stoneham, Weymouth, Lynn, and East Bridgewater. In Fall River, where the recent strike took place, Claffin received 1,105, Adams 603, and Phillips 514. Claf-

lin's home, Newton, gave Claffin 743, Adams 205, Phillips John Quincy Adams is elected a Representative from his own town (Quincy), carrying the town by a small

TOTAL RESULT.

BOSTON, Nov. 8.—The HIId Congress District, the only doubtful one, gave Twichell 5,794 votes, or applurality of 300 over his Democratic opponent.

Ninety-seven towns give Classin 27,000; Adams 15,000,

and Phillips 8,000, in round numbers. home), 1,876. The total State vote is estimated on the basis of returns

received at 80,000 for Claffin, 50,000 for Adams, and 23,00 for Phillips. Thirty-six towns foot up for Claffin 10,735; Adams,

6,225; Phillips, 2,232. The same towns last year gave Claffin 8,825; Adams, 5,313; Chamberlin, 1,772. MORE REPUBLICAN GAINS. Boston, Nov. 8 .- Returns from 168 cities and

towns give Claffin 41,035; Adams, 21,986; Phillips, 11,825. The same towns last year gave Claffin 35,411; Adams, 20,632; Chamberlain, 7,710. Claffin will have as large a majority as last year on an increased total vote. His majority last year was 9,600.

All of the Republican Congressmen are redlected

Twichell in the IIId District by about 300 plurality, and Hooper in the IVth by over 2,000 phirality. Both branches of the Legislature will be strongly Republican. Wendell Phillips has received less votes than his opponents conceded him. LATEST-CLAFLIN'S VOTE 85,000, ADAMS'S 47,000,

AND PHILLIPS'S 20,000 - DAWES'S MAJORITY,

SPRINGFIELD, Nov. 9 .- Full reports sustain the general results reported early in the evening, though Eastern Massachusetts does not come up to the Republi-can gain made here. The vote last year was: Claffin, 75,000; Adams, 50,000; Chamberiain (Labor Reform), 13,500. This year it will be thus: Claffin, 86,000; Adams, 47,000; Phillips (Labor Reform and Prohibitionist), 20,000. Phillips's failure is even a surprise to his opponents, and

will be very mortifying to him and his friends. Dawes has 1,600 majority, and the whole Congress Delegation is triumphantly reflected, while the Legislature will be strongly Republican in both branches, and will reflect Henry Wilson to the Senate.

The four Western Counties of Massachusetts elected Republicans and 1 Democratic State Senstor, and 30 Republican representatives and 6 Democrats.

DELAWARE.

A HEAVY COLORED VOTE—REPORTED RIOTS AT ODESSA AND SMYRNA. WILMINGTON, Nov. 8-Noon,-The election

in this city has passed off quietly up to this hour. The colored people are generally voting, and seem earnest in asserting their new rights.

There are rumors of serious riots by white men at

Odessa and Smyrna. It is reported that the Deputy United States Marshals at those places have been driven from the ground, the colored men prevented from voting, and the ballot-boxes seized.

BIOTING IN WILMINGTON.

WILMINGTON, Del., Nov. 8 .- There has been nore or less rioting in two wards of this city during the afternoon between crowds of white and colored men. At 5 o'clock a sharp encounter took place, in which many shots were fired. It is reported that a number of persons have been shot. THE STATE DEMOCRATIC BY A GREATLY REDUCED

MAJORITY-THE LEGISLATURE UNDECIDED -NEWCASTLE COUNTY GONE REPUBLICAN. WILMINGTON, Del., Nov. 8.-The Democratic

State ticket is elected in Delaware by a majority greatly reduced from that of 186s. The returns, up to 11 e'clock, are very meager from the lower counties, and the com-plexion of the Legislature remains undecided. In Newcastle County the Republicans have a decided majority on the State and Legislative tickets. ANOTHER REPORT-THE DEMOCRATIC MAJORITY

NOT OVER 500.
WILMINGTON, Del., Nov. 8.—Returns abow a general Republican gain over the vote of 1868, but not sufficient to enange the result. Ponder, Dam., for Governor, has probably 500 majority, and Biggs' for Congress nearly the same. The Republicans carry Newcastle County for the Legislature and on the State ticket. SCATTERING RETURNS.

WILMINGTON, Del., Nov. 8.—The returns come in

Coursey (Rep.), for Governor, 114 majority; Ninth Ward gives Coursey 19 majority.

New Castle County: New Castle Oity gives 280 Democratic majority. Bed Liou gives 2 Republican majority.

West Red Liou gives 28 Republican majority.

Sussex County: Georgatown gives Coursey (Rep.), 21

A QUIET ELECTION AT NORPOLK-PROBABLE RE-ELECTION OF REPRESENTATIVE PLATT.

NORPOLK, Va., Nov. 8 .- The election passed off very quietly. A company of marines was held in readiness during the day at the Custom-House to repair to any part of the city where their services might be required to maintain order. Three Wards give James H. Platt, jr., the Republican Congress candidate, a majority of one. There is one Ward to hear from, and in that Ward the negroes have registered a majority of 383.

STAUNTON, Va., Nov. 8 .- Reynolds, the Independent Conservative candidate, carries the city by six majority. In the County the vote between Harris, the Conservative nominee, and Reynolds will be close, and the result will not be ascertained before to-morrow night. The vote has been small. M'KENZIE (REP.) PROBABLY RE-ELECTED IN THE

SEVENTH DISTRICT. ALEXANDRIA, Nov. 8 .- The election passed off quietly. A small vote was polled, being 600 or 100 short of that of May last. Three wards give Braxton, Conservative, 40 majority, but the city will give McKen-zie, Republican, probably 150 majority. Manassas gives McKenzie 7 majority, and Predericksburg gives Braxton

ALABAMA. A QUIET ELECTION-REPUBLICAN MAJORITY IN MONTGOMERY.

MONTGOMERY, Nov. 8 .- The election passed off very quietly—not a single disturbance occurred during the entire day. Good humor prevailed, and both parties worked hard. The Democrats increased their vote largely, and the Republicans slightly, comparing with the vote for Grant and Seymour. The vote has not been counted yet. The total vote cast is 5,638. The Republican majority is estimated at about 1,600 or 1,800 in this city.

NO DISTURBANCE AND A LIGHT VOTE. MEMPHIS, Nov. 8 .- The election to-day passed off remarkably quiet. There was a light vote and very little interest was taken.

TENNESSEE.

A LARGE REPUBLICAN MAJORITY IN THE STATE

-JOHN WENTWORTH DEFEATED-POSSIBLE LOSS OF ONE CONGRESSMAN. CHICAGO, Nov. 8-9:30 p. m.-Illinois has gone Republican by a majority somewhat below that of 1868, which was 51,150. The majority, however, is a strong one. In this city and county the contest for Congress between Charles B. Farwell, the regular Republican nominee, and John Wentworth, independent candidate, supported by some Republicans and by the Democrats whose regular nominee retired in his favor, has been very sharp. The result cannot be determined until full returns are received. It is generally believed that Far-

well has been elected; even bets are offered and taken that his majority is as high as 1,000. The regular Republican ticket has been strongly supported in this county by the importance of securing the State Legislature, this being the first Legislature elected under the new Constitution, and having, also, to choose a United States Senator. The friends of Wentworth claim that Parwell's election has been secured by this influence. In the other Congress districts of the State there will be no political change, except, possibly, in the VIIIth District, where G. H. Minier, the Prohibition candidate, has divided the Republican vote with Jone-

han Merriam, the regular nominee. The Democrats are sanguine in their hope that their candidate, James C. Robinson, has a majority. This is not conceded by the Republicans, but they have grave apprehensions. The Republican majority for Cullum in 1868 was 2,884. John F. Farnsworth has been reflected by the Republicans of the Hd District, but by a reduced majority, on account of a diversion in favor of John C Stoughton, Prohibitionist. There was so much "scratch ing" in the vote for the State Legislature that the result cannot be determined until more returns are received.

KENTUCKY.

LARGE REPUBLICAN GAINS. LOUISVILLE, Ky., Nov. 8 .- A special corre

spondent of The Courier Journal says that the Republicans carried Paducah to-day, Judge Black, the Republican candidate for Congress, beating Judge Crossland (Democrat) by 42 votes. The Democrats did not vote (Democrat) by 22 voice. The Democrats did not vote their strength by 200. There was no party organization of Democrats, and the election went by default. Cross-land carries the county, and is elected by probably 5,000 votes. The Democrats elected a Judge of the Common Pleas Court. In the 1Xth Congress District Rice (Dem.) has 246 ma-jority—a loss of 225.

jority—a loss of 256.

Returns from the VIIth Congress District give Brown (Rep.) 628 and Beck (Dem.) 666, being a Republican gain of 170 since the August vote. ALL THE DEMOCRATIC CANDIDATES FOR CON-

GRESSEL ECTED. LOUISVILLE, Nov. 8.-The election in this

LOUISVILLE, Nov. 8.—The election in this city passed off very quietly, hardly any interest being taken in it on account of the general feeling that the Democrats had a large majority. The vote polled was very small. For Congress, Winchester, Dem., carries the city by 1,500 to 2,000 maj. over Speed, Rep. Winehester's majority in the District will be about 4,000.

The Democrats have certainly elected their Congress candidates in ali the districts except the VIIIth, and the result in this district is doubtful, but it is thought that Adams (Dem.) will be elected by a small majority. Spear (Rep.) carried the Fourth and Fifth Wards of this city, and Winehester (Dem.) the other eight.

Special dispatches from Lexington state that the election in that city and county passed off very quietly. Beck's (Dem.) majority will be about 85 in the county. So far as heard from the Democrats have carried every county and district. Mr. Beck says his majority will not be less than 3,000.

Sir: Be kind enough to state in your paper that the assertion made by Horace Greicy, this morning, that I had ordered out the Ninth Regiment for Tuesday morning is a "willful, wicked, and base lie," and that he know it. If he had announced that the regiment was to escort him to the lunatic asylum, there might have been some sense in the story; but Horace had not brains enough to get so near to probability as that. Schenck's Pulmonic Syrup, Seaweed Tonic, and
Mandrake Pills, are the only medicines needed to ours communities, and there are but two things to do to make lungs heal.

Pirst: The liver and stomach must be got into a healthy condition, for when the inngs are wasting the whole body is wasting, and the food of a consumptive, even if he has an appetite, does not nourish the body. If the liver and stomach are loaded with stime, it lies there and takes the

room of food, consequently the patient has so appetite, or very little, and the gratric juice causet mix with the food which lies in the atomack. and spoils or sours, and passes off without nonrishing the system.

Schenck's Mandrake Pills act on the liver and stomach and carry off
this slime. The Seawed Tonic is a very pleasant stimulant, and acts as an aliali, which, takes right after eating, unitee with the gustric judes and dissolves the food. Then by partaking freely of the Pulmonic Syray the food is turned into good chyme and chyle; then good blood is made. and the body begins to grow. As soon as the patient begins to gain a flesh the matter in the lungs begins to ripon and they heal on. This the only way to cure consumption. No one ever was cured unless they

began to gain in firsh.

The second thing is, the patients must stay in a warm room until they get well: it is almost impossible to prevent taking cold when the languate diseased, but it must be prevented or a cure cannot be effected. Fresh air and riding out are all wrong. Physicians who recommend that course lose their patients if their lungs are bailty diseased, and yet because they must stay in the bouse they must not sit down quiet; they must said about the room as much and as fast as the strength will hear, so get up a gold circulation of blood. The patients must keep in good spirits, be determined to get well. This has a great deal to do with the appetion

and is the great point to gain.
